

ZebraWeb.org Sports Officials Operations System

ZebraWeb.org, Inc. provides the industry's most comprehensive subscription based online sports officials management system (ZebraWeb.org Sports Officials Operations System) for all sports. This integrated system (assigning system, Commissioners data reporting, Officials Ratings, Observers module, Officials Resource Center, Game Film Exchange...), alleviates concerns with data integration issues and multiple system expenditures. This comes after years of analyzing the needs of leagues, teams, commissioners/assignors, as well as providing the sports officials with the functionality, features and training aids they need. Please visit www.ZebraWeb.org to learn more...

The ZebraWeb.org Sports Officials Operations System offers the following features/modules:

- **ZebraWeb Sports Officials Assigning System**
- **Game Film Exchange Service**
- **ZebraWeb Commissioner's Console**
- **ZebraWeb.org Sports Officials Resource Center**
- **Officials Ratings & Forms Center**
- **Observer's Module**
- **Zebra-Secretary:** Conduct Online Meetings
- **ZebraWeb Playoff Package**
- **Zebra-Pay:** Officials payment service

Contact us at info@ZebraWeb.org to learn more

To encourage commissioners/assignors to take advantage of the immediate benefits of the ZebraWeb.org Sports Officials Operations System, ZebraWeb.org, Inc. has provided the following services on a complimentary basis:

- Importing of existing data (Officials, leagues, teams, games)
- System training

Demo's are available for interested commissioners/assignors.
